

NOT FOR PROFIT GROUPS WANTED TO WORK AT THE KENTUCKY SPEEDWAY

We are looking for groups to join our team of professionals that are devoted to making the Kentucky Speedway the #1 motorsports facility in the country. Providing superior customer service is our key objective and every team member must keep that in mind while they work and represent the Kentucky Speedway.

The Kentucky Speedway will have work available on June 22 – June 31 and September 15 – September 23 (single or consecutive days) for groups that want to raise money working as: **Ushers, Ticket takers, Parking lot attendants, Security, Camp Grounds Check In, Gatekeepers, Program sellers, Tour Guides, Ticket scanners, (& more)**. Pay varies and depends on the job assigned to your group. There are also other companies doing business at the Kentucky Speedway that need help. They include food service, souvenir sales, display booths, etc. Your information may be forwarded to these companies too.

If your group is chosen to work, your role will be critical to the success and in fulfilling our goals of providing the best customer service in the racing industry. Every team member represents the Kentucky Speedway. Our patrons and our customers judge all of us by how they are treated at our venue. Nothing is more important than being informed, courteous, friendly, prompt, and helpful to our customers. With your groups help, we can ensure our patrons will return year after year by working together to provide them a great day at the races.

We will do our best to help your group members become great workers at the Kentucky Speedway. If chosen to work, your group leader will be notified about the orientation dates available to your group for training.
